

Black Lightning Nitrile Gloves

Powder-Free, Latex Free with NEW 5.5 pH Comfort!

Features & Benefits

- New 5.5pH Comfort — made to match healthy skin's natural pH levels to ensure the MOST comfortable fit yet!
- QUADRUPLE WASHED — no excess chemicals lingering on the glove to ensure the cleanest and most comfortable long wearing glove possible.
- Super strong 100% quality nitrile — means superior strength and stretch to eliminate tearing.
- Fully textured — for superior grip.
- Powder free — doesn't dry your hands or introduce foreign substances in a clean environment.
- Ambidextrous — for quick and easy selection.
- Varied thickness — for superior performance and life: 6.1 mil at Finger Tips, 5.2 mil at Palm, and 4.7 mil at Cuff.
- Latex free makes them safe for latex intolerant individuals.
