### LIMITED TIME OFFER

For a limited time, purchase just one case of Maintenance Magic Paint, Gasket and Vandalism Remover and receive a FREE Scraper and 50 NEW Plastic Scraper Blades! (A \$16.00 Value).

### Heavy Duty Metal Scraper

IBS No. 16400 Pkg Qty 1

Formed from sheet metal with stiffening grooves to prevent twisting. Designed to work well with single-edge razor blades. Form-fitting handle and sturdy design makes it easy to use.

### Plastic Scraper Blades

IBS No. 16401 Pkg Qty 50

Made for safer scraping and cleaning, these blades are sharp while still being soft, pliable and forgiving to prevent damage to delicate surfaces. Safer to use on areas where sharp metal blades can cause damage such as removing caulking from a tub or a bumper sticker from a bumper. Will not rust or corrode like metal blades do.

Perfect for use on: auto paint, finished wood, painted and soft surfaces, and other plastic surfaces.
