

SECTION 1 - PRODUCT IDENTIFICATION

Name: BLU-GOO Part #: ML6100 Emergency Phone: 1-800-721-2448
 Manufacturer: Metalink Polymer and Adhesives, P. O. Box 0851, Buna TX 77612-0851 Phone: 1-800-721-2448
 Distributed by: IBS INCORPORATED, P.O. Box 1717, Auburn, WA 98001, Phone: 1-800-678-1906

NFPA: HEALTH: 1, FLAMMABILITY: 3, REACTIVITY: 0, SPECIAL:

SECTION 2 - INGREDIENTS

Chemical Name	CAS	WT%	PEL	TLV
Oil, Mineral		40-70	5mg/cubic meter	5mg/cubic meter
Zinc Compound *	7440-66-6	5-10	5mg/cubic meter as dust	5mg/cubic meter as dust
Polytetrafluoroethane		20-30	5mg/M ³ as respirable dust	5mg/M ³ as res

* This ingredient is subject to the reporting requirements of Section 313 of Title II of the Superfund Amendments and Reauthorization Act of 1986 (SARA) and 40CFR 372.

SECTION 3 - PHYSICAL DATA

Boiling Range (c): N/A **Vapor Pressure (mm Hg):** N/A **Vapor Density (air=1):** N/A
Physical Description: Blue, grainy paste with mild petroleum odor **% Volatile:** N/A
Solubility in Water: Insoluble
Specific Gravity (H20=1): 1.081 **Melting Point:** -139°F **Evaporation Rate (Butyl Acetate=1):** N/A

SECTION 4 - FIRE AND EXPLOSION DATA

Flash Point (ASTM D-92): Greater than 450°F **Explosive Limits:** Not Available
Extinguishing Media: Carbon Dioxide, Dry Chemical or Foam
Special Fire Fighting Procedures: Firefighters should use self-contained breathing apparatus with positive pressure as toxic fumes may be generated when product temperature rises above 930°F.

SECTION 5 - REACTIVITY DATA

Stability: Stable
Hazardous Decomposition: Incomplete combustion can yield carbon monoxide and various hydrocarbons.
Hazardous Polymerization: Will not occur

SECTION 6 - HEALTH HAZARDS

Health Hazards (Acute and Chronic)
Inhalation: Not Applicable. **Eye Contact:** Possible irritation with repeated or prolonged contact.
Skin Contact: Possible irritation with repeated or prolonged contact. If injected under skin with high pressure grease gun, necrosis could occur. **Ingestion:** Possible irritation, nausea, or diarrhea.
First Aid Procedures:
Eye contact: Flush with water for 15 minutes or longer. Should irritation occur, get medical attention. **Skin contact:** Wash with soap and water thoroughly after handling. If injected under skin, get medical attention as soon as possible **Inhalation:** Not Applicable
Ingestion: Do not induce vomiting. Get medical attention.

SECTION 7 - STORAGE AND HANDLING DATA

Storage: Do not store with strong oxidizers. Avoid exposure to extreme temperatures.
Other Precautions: Not Applicable
Steps to be taken if material is spilled or released: Pick up and place in container for disposal.
Waste Disposal Method: Utilize permitted industrial waste disposal site. Comply with environmental regulations. Burning is not recommended. Do not reuse containers.

SECTION 8 - SPECIAL PROTECTION INFORMATION

Respiratory Protection: Not required under normal conditions of use.
Ventilation: Not Applicable
Eye: If eye contact probable, use safety glasses or splash goggles.
Skin: For prolonged contact, use nitrile or neoprene gloves.
Special Protection: Not Applicable

The information for this MSDS was obtained from sources we believe are reliable. However, this information is provided without any representation or warranty, expressed or implied, regarding accuracy and correctness. The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons we do not assume responsibility and expressly disclaim liability or loss, damage or expense arising from it or in any way connected with the handling, use and storage of the product. METALINK POLYMERS AND ADHESIVES and / or IBS, INCORPORATED assumes no responsibility for personal injury or property damage to vendees, user or third parties caused by the material. Such vendees or users assume all risks associated with the use of the material.
