**Section I - Product Identification** **PRO-TECH UVX Wipes**  
**74240**

|   |  |  |  |
|---|--|--|--|
| Marketer's Name Must Appear Below<br><b>IBS, Incorporated</b> | DOT Shipping and Hazard Classification<br><b>Non-Hazardous</b> |  |  |
| Manufactured For: <b>Maintenance Magic</b>                    | Emergency Telephone Number <b>1-800-255-3924</b>               | <b>NOTICE: JUDGEMENT<br/>BASED ON INDIRECT<br/>TEST DATA</b> |  |
| Address: <b>740 Clay St. NW<br/>Auburn, WA 98001</b>          | Telephone Number for Information <b>(253) 804-8666</b>         |  |  |
| Date Prepared   |  | <b>01/17/02</b>  |  |

**Section II - Hazardous Ingredients/Identity Information**

| Hazardous Components (Specific Chemical Identity, CAS Number) | OSHA PEL | ACGIH TLV | SARA III | Carcinogen Ref |
|---|----------|-----------|----------|----------------|
| <b>This product contains no hazardous ingredients.</b>        |          |           |          |                |

*All chemical compounds marked with an Asterisk (\*) are toxic chemicals subject to the reporting requirements of Section 313 of Title III of the Superfund Amendments and Reauthorization Act (SARA) of 1986 and 40 CFR Part 372. You must notify each person to whom this mixture or trade name is sold. This statement must remain a part of this Material Safety Data Sheet.*

**Section III - Physical/Chemical Characteristics**

|   |  |   |
|---|--|---|
| Boiling Point:<br><b>&gt; 212°F</b>                                   | Specific Gravity (H <sub>2</sub> O=1):<br><b>1 g/ml</b>  | Water Reactive:<br><b>No</b>                |
| Vapor Pressure PSIG @ 70°F:<br><b>NA (Aerosols) NA (Non Aerosols)</b> | Vapor Density (Air=1):<br><b>NA</b>  | Evaporation Rate (water=1):<br><b>&lt;1</b> |
| Solubility in Water:<br><b>Total</b>                                  | Appearance: <b>White, soft, non-abrasive, non-woven synthetic blend wipes moistened with colorless, lemon fragrancd liquid</b> | Odor:<br><b>Lemon fragrance</b>             |

**Section IV - Fire and Explosion Hazard Data**

|   |                           |  |   |
|---|---------------------------|--|---|

| Hazardous   | <input type="checkbox"/> May Occur   | Conditions to Avoid:    |                 |                          |
| Polymerization  | <input checked="" type="checkbox"/> Will Not Occur   | <b>None identified.</b> |                 |                          |
| <b>Section VI - Health Hazard Data</b>  |  |                         |                 |                          |
| <b>Routes of Entry:</b>   | Inhalation   | Ingestion               | Skin Absorption | Eye <b>Not Hazardous</b> |
| <b>Carcinogenicity:</b>   | NTP?   | IARC Monograph?         | OSHA Regulated? |                          |
| <b>Health Hazards (Acute and Chronic):</b> Product is not considered harmful.                         |  |                         |                 |                          |
|   |  |                         |                 |                          |
|   |  |                         |                 |                          |
| <b>Signs and Symptoms of Exposure</b>   |  |                         |                 |                          |
| <b>Inhalation:</b>  | (liquid only): May cause slight irritation to mucous membranes.  |                         |                 |                          |
| <b>Ingestion:</b>   | (liquid only): May cause nausea, vomiting, diarrhea.   |                         |                 |                          |
| <b>Skin Contact:</b>  | (liquid only): Can irritate sensitive skin.  |                         |                 |                          |
| <b>Eye Contact:</b>   | (liquid only) Can irritate eyes.   |                         |                 |                          |
| Medical Conditions Aggravated by Exposure: <b>Existing eye, skin and upper respiratory disorders.</b> |  |                         |                 |                          |
| <b>Emergency First Aid Procedures</b>   |  |                         |                 |                          |
| <b>Inhalation:</b>  | Fragrance is not harmful.  |                         |                 |                          |
| <b>Ingestion:</b>   | DO NOT INDUCE VOMITING. Rinse mouth with water. Drink large glass of water. Offer milk. Seek medical attention.  |                         |                 |                          |
| <b>Skin Contact:</b>  | Flush with water.  |                         |                 |                          |
| <b>Eye Contact:</b>   | Flush with water for 15 minutes. If irritated get medical attention.   |                         |                 |                          |
| <b>Section VII - Precautions for Safe Handling and Use</b>  |  |                         |                 |                          |
| Steps to be Taken in Case Material is Released or Spilled:  | Absorb spilled liquid into absorbent media.<br>Small surface films can be washed down the drain.   |                         |                 |                          |
| Waste Disposal Method:  | Dispose of in accordance with all local, state, and federal regulations.   |                         |                 |                          |
| Precautions to be Taken in Handling and Storing:  | Store in original shipping containers, under cover and in ambient temperatures, not exceeding 113°F. Do not store in direct heat or sunlight. Avoid storage in freezing temperatures, Keep closed when not in use. Shelf life is at least 18 months. do not store in extreme temperatures. |                         |                 |                          |
| Other Precautions:  | <b>KEEP OUT OF REACH OF CHILDREN.</b> Read and follow label directions.  |                         |                 |                          |
| <b>Section VIII - Control Measures</b>  |  |                         |                 |                          |
| Protective Equipment Types  |  |                         |                 |                          |
| Eyes:   | None required.   |                         |                 |                          |
| Respiratory:  | None required.   |                         |                 |                          |
| Gloves:   | None needed.   |                         |                 |                          |
| Other:  |  |                         |                 |                          |
| Ventilation:  | Normal indoor ventilation is adequate.   | Local Exhaust           | Yes             | Other                    |
| Work/Hygienic Practises:  | <b>Rinse hands after handling.</b>   |                         |                 |                          |
